Stage 3 Team Building Day

Last Friday, Stage 3 students and teachers participated in a Team Building Day. The aim of this day was to encourage new friendships and to get to know each other a little better. Our first activity was ten-pin bowling. Teams were formed to encourage students to meet new friends and the level of sportsmanship seen was terrific. Teachers didn’t want to miss out on the fun either and students were very supportive of our attempts, especially when Mrs Paff bounced her bowling ball into a neighbouring lane. Afterwards, students travelled to the Jetty where our wonderful P & C, Toni, Fiona, Tania and Mel had cooked up sausage sandwiches for everyone. A special thank you to all of you.

We finished the day with a rotation of team building games including three-legged races, relays, running games and inflatable raft events in the water.

It was a fantastic day for all. Students and teachers alike got to know each other a little better and we all had a lot of fun.
