Principal Message

Tomorrow we will have some of our children attending the Mid North Coast PSSA cross country carnival in Sawtell. This carnival will include children from districts south and north of Toormina. Children who place in the top ten in their selected event will be eligible to run at the North Coast PSSA carnival which will be held later this term.

Those children who attended yesterday’s Dinosaur Show were treated to an excellent afternoon of educational entertainment. As part of the show the children were able to assist in the construction of a life size dinosaur skeleton. It is most valuable for our children to be able to experience live shows every now and then and then we thank our families for supporting this particular event. Many thanks must go to Mrs Trist who as always did a most thorough job in co-ordinating this performance.

Class teachers are currently preparing and writing the Semester One reports for the children in their care. These reports should provide valuable information for parents and caregivers around the progress of their children across a range of academic and social areas for the first half of 2015. I would urge everyone to look very carefully at these reports and please do not hesitate to contact your child’s teacher if you have any concerns or questions. The reports will be sent home with the children on Monday 22nd June.
