Assembly Items Term 3
Principal Message

We were very excited to learn last week that Dakoda Bennett of 6 Emerald has been selected by the Australian Youth Football Institute to travel to the Borneo Cup at the end of this month. This is a tremendous achievement for Dakoda and we would like to wish him all the best for that tournament. We look forward to hearing how it went when he returns to school in term 4.

Peer Support
This week our senior students have been preparing for their roles as student leaders in term 4. This program will be based around a sporting theme, and there will be a more complete report on it in this newsletter. It will be a tremendous opportunity for our senior students to develop their leadership skills as well as an exciting opportunity for the rest of our students to learn some new sporting skills in small group setting.

Community Support
This week we have received some very significant support from the Sawtell RSL Club. They have granted the school funds to help out with learning materials, student support and equipment. This support is most gratefully accepted and we have already decided to use a portion of the funds across the intensive swimming scheme and the occupational therapy programs that operate within the school. On behalf of the children and families of our school I would like to thank the Sawtell RSL Club for their generosity and support.
